# Who am i?

- Military
- Bachelors' degree ICT

# Research Questions

1. How to improve the experience of the audience by improving the relevance of contextualized advertisements with better personalization?
2. How machine learning approaches can be employed to improve the personalization of advertisements on media platforms?

# Introduction

- Mehdi Elahi - University of Bergen
- Igor Pipkin - **Amedia** AS
- Dataset
  - Real-time data
  - Advertisement images

The logo for Amedia, featuring a stylized lowercase 'a' in magenta followed by the word 'media' in a dark grey, sans-serif font.

# The Dataset

- Amedia
- 685553 observations
- 19 features
- **Behavioral**
- **Categorical**

The logo for Amedia, featuring a stylized pink 'a' followed by the word 'media' in a black, lowercase, sans-serif font.

# User Study Results - Participants

# User Study Results

- Necessary
- **Irrelevant**
- «Lack of trust»

✓ 5

Let's start! How do you feel about advertisements shown in media platforms in general?

54 out of 54 people answered this question (with multiple choice)

Lack of trust: young people have developed a sort of intuitive filter to ignore the traditional ads

a month ago

# User Study Results

7

Do you use any forms of AdBlocker?

56 out of 56 people answered this question

Yes

36 resp. 64.3%

No

20 resp. 35.7%

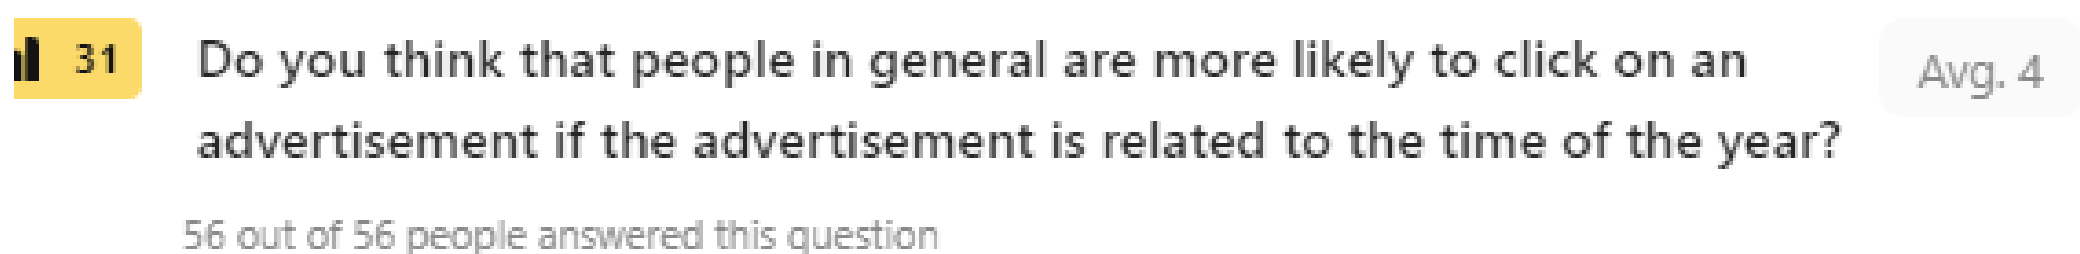

Sometimes ok

a month ago

Distracting, annoying

a month ago

# Results – Opinion Scales

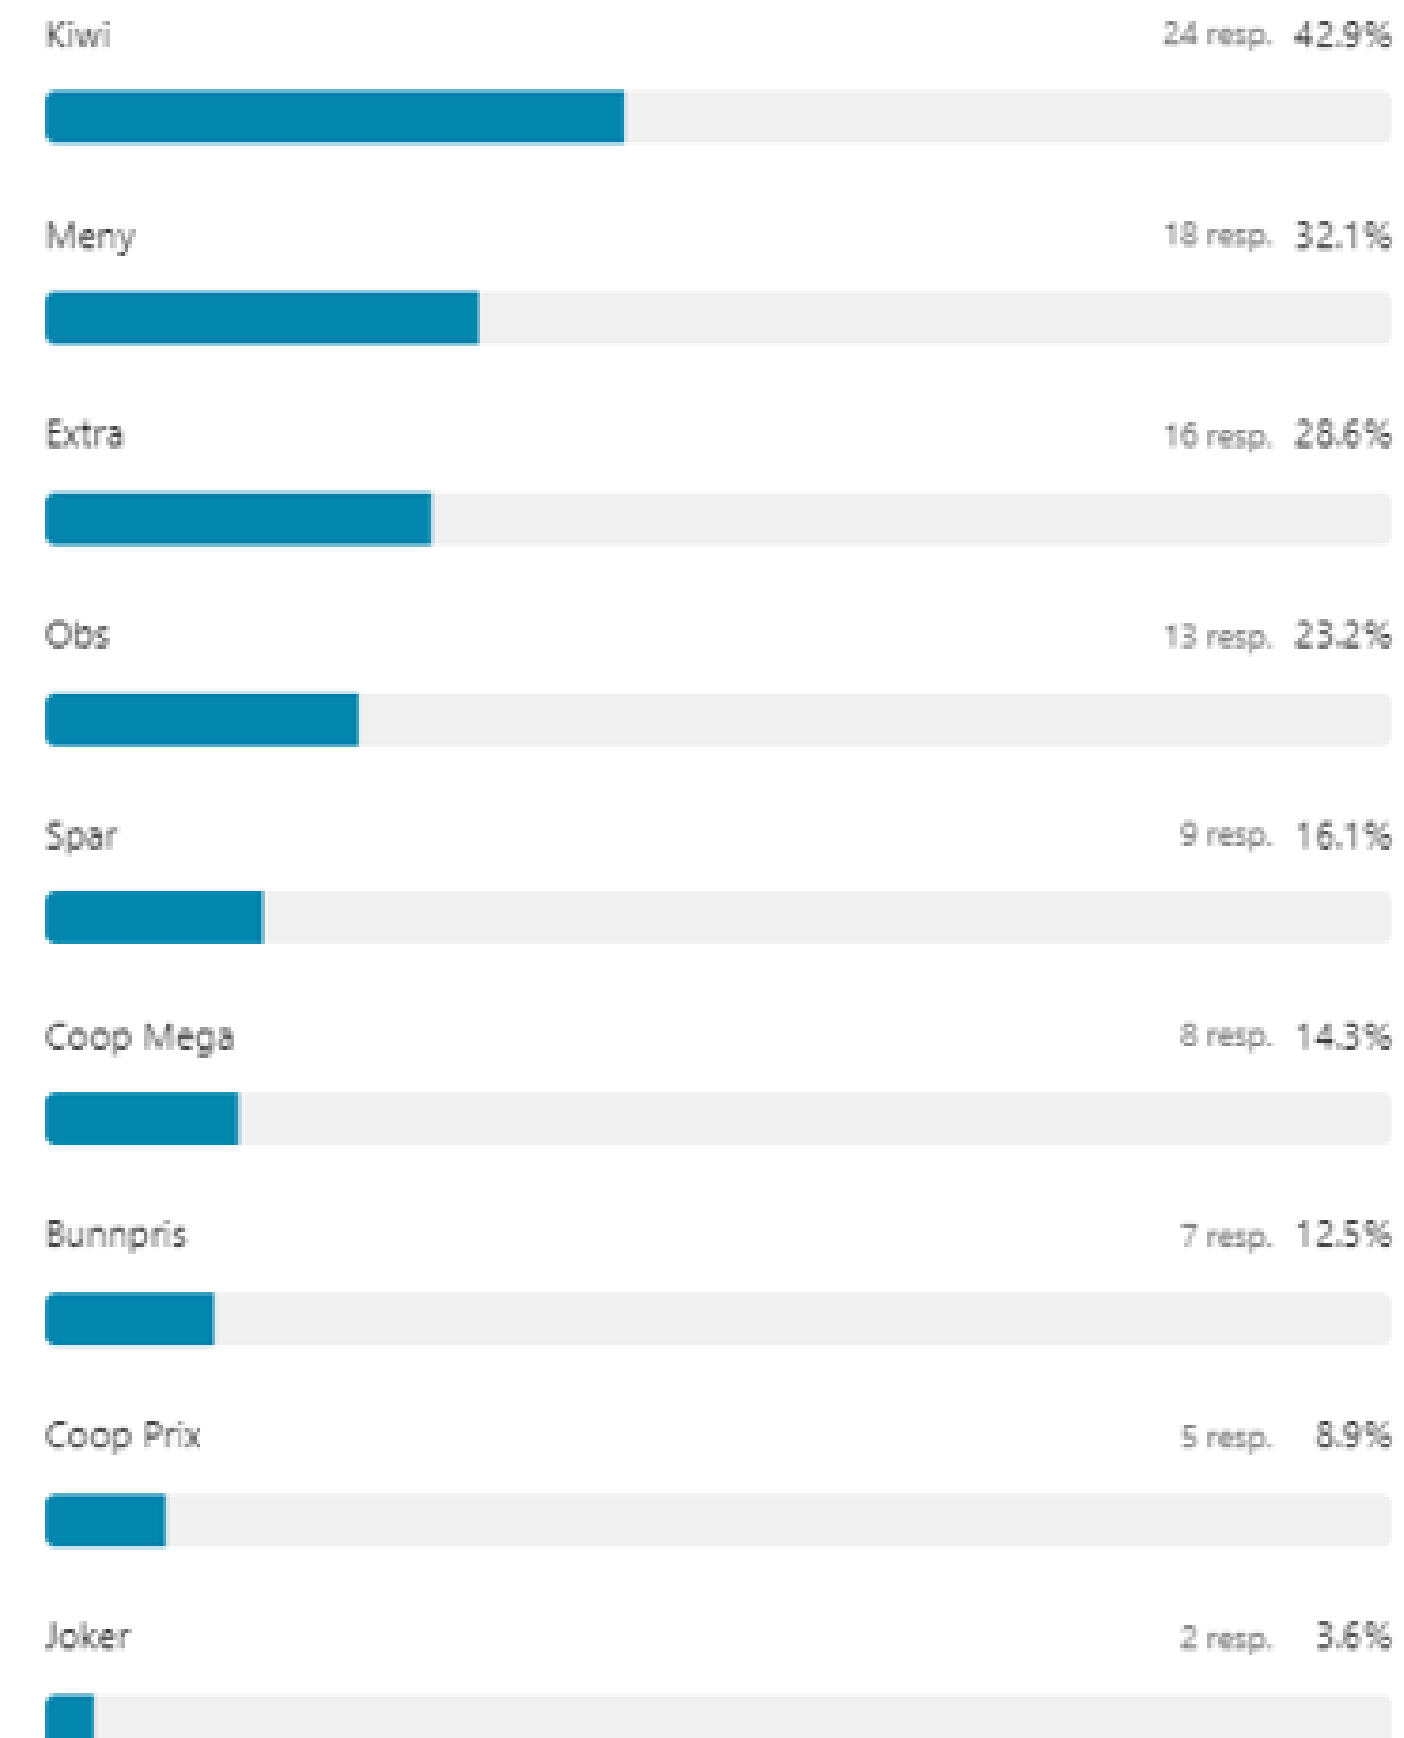

# User Study Results

- **Kiwi and Meny**

✓ 32 When a store runs an advertisement, are there any brands/stores you prefer to click over others?

56 out of 56 people answered this question (with multiple choice)

# User Study Results

- **Shopping and Traveling**

## ✓ 6 What kind of advertisements do you prefer in terms of content?

56 out of 56 people answered this question (with multiple choice)

# User Study Results

- **Business Value**

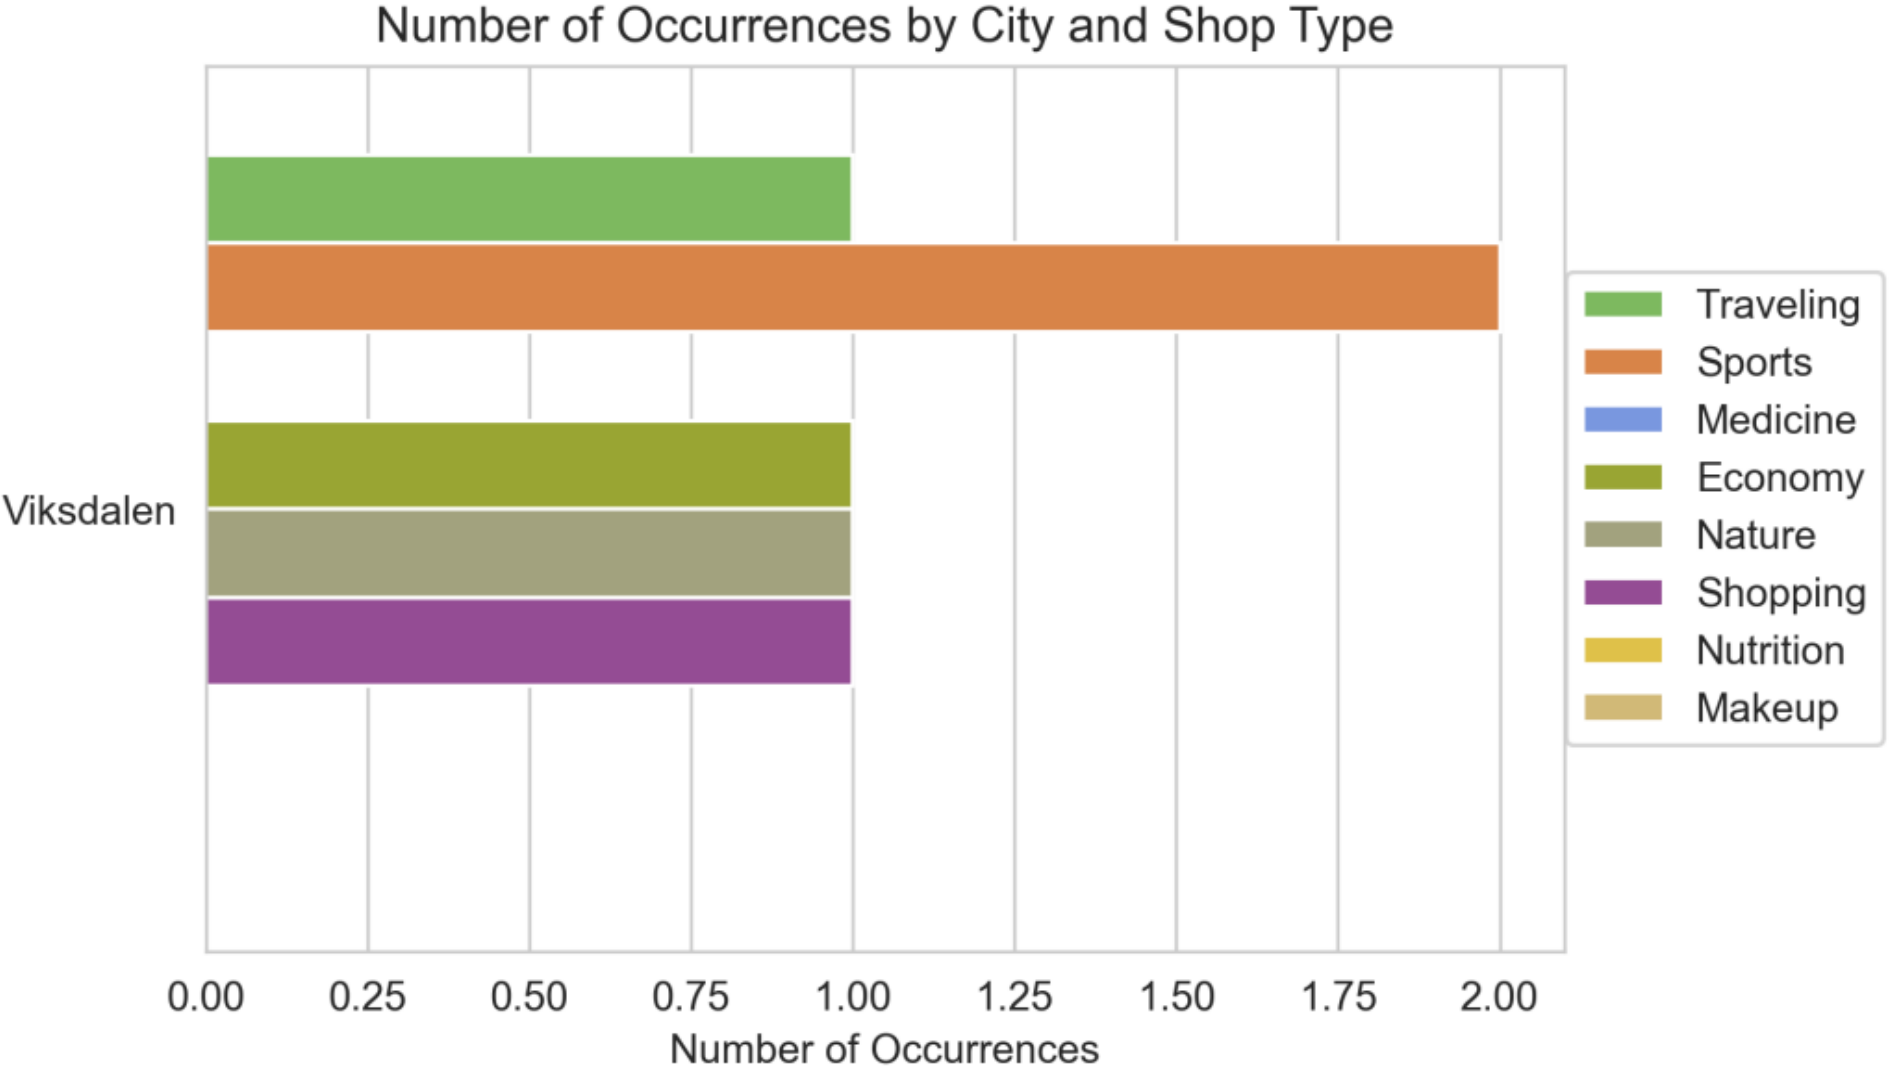

Age Group	Most Popular Shop	Most Popular Content
18-24	Kiwi	Shopping
25-29	Kiwi	Sports
30-34	Meny	Shopping
35-39	Kiwi	Shopping
40-44	Extra	Shopping
45-49	Spar	Traveling
50-54	Meny	Shopping
55-59	Extra	Traveling
60-64	Extra	Shopping
70-74	Extra	Traveling

	Most Popular Shop	Most Popular Content	Second Most Popular Interest
Female	Kiwi	Shopping	Nature
Male	Kiwi	Sports	Economy
